### „Atelier – Logo du projet“

#### Tache

Développez un **Logo pour le projet**  
„My digital life“:

Coopérez dans le groupe franco-allemand qui s'occupe du logo.

Cherchez des symboles qui s'accordent à la conception du projet:

- digital
- my life / ma vie
- franco-allemand
- ERASMUS: projet européen

Creez également des articles de publicité pour propager le projet.

### „My digital everyday language“

#### Task:

**Present your digital everyday language**

Ideas:

Emojis:

Which emojis do you use? Look into your chats and write down your favourites. Explain what these emojis express for you.

Abbreviations: which abbreviations do you use to make your digital communication quick and easy?

What else do you use in your digital language?

#### Sources + Devices:

Create a presentation or an interactive survey of your work, e.g. with mentimeter, PowerPoint, etc.

### Disconnection!

#### Sport-breaks for screen junkies

#### Task

The project team is always sitting in front of computer screens.

LET'S GET DISCONNECTED!

Create 2x 10 minutes work-outs

Use funny animation:

- pictures / explainity videos
- music + easy exercises
- ....

=>Twinspace: fit with work-outs

#### Sources + Devices

### Logo + promotion of the project

#### Task

Create a project's logo 2021-22

„My digital life“

- Transform the logo of 2020-21 (similar to app-icons)
- Find texts and symbols to promote the project
- Decorate give-aways with texts + symbols + logo
- Büren: workspace with Lichtenstein Medien
- Clermont: LLF-Team

### Sources + Devices

Examples of other promoting give-aways

Coworking with Lichtenstein Medien, Büren: give aways, printing

### SCRATCH - programming video-games about your digital life

#### Task

„Scratch“= program your own video-game/ interactive story /animation

Steps:

1. Work in binational teams
2. Invent a story about „your“ digital life (plot: positiv or negativ backgrounds)
3. Create a storyboard: place, persons + their characters, action
4. Program your interactive story using „scratch“
5. Play your story and have fun!

### Story-telling „My digital life“: Whatsapp/Instagram Chat

#### Task:

Invent a story! => Tell it like a chat

**Who?** The binational team in Büren and in Clermont-Ferrand

**What is the story about?** Naturally about life with digital media = my digital life, maybe with a funny, maybe with a serious background. Start inventing the problem and the persons!

**How?** Just like Whatsapp-chats / Instagram-chats! One person is starting with a post and then the others answer writing text-posts, icons, sending photos, audios, video-clips. But change your identity before writing! 😊

#### Sources + Devices

Common working-platform: Whatsapp / Instagram

### „New job opportunities in the digital age“

#### Task

Think about new jobs that exist because of the digitalization (e.g. Influencer, drone-pilots, ...).

Prepare a presentation of new jobs in the digital age. For example you can create an explaynity video or an onepager.

Think about questions like:

- How can you earn money with digital jobs?
- What kind of tasks have been done?
- What kind of education do you need for this profession?
- ...

### „Word Ping-Pong“ (kreatives Schreiben)

#### Aufgabe:

**Erfindet zusammen eine Geschichte!**

**Wer?** Ein Team in Büren und ein Team in Clermont-Ferrand

**Wie?** Ein Team gibt den Einstieg in die Handlung vor und das andere führt die Geschichte fort usw., eben Ping-Pong!

**Worüber?** Natürlich über das Leben mit digitalen Medien, also aus dem „Digital Life“; - vielleicht „Das verlorene Handy“ ...?

#### Sources + Devices

Gemeinsame Arbeitsplattformen: z.B. Tinspace „Chat“ (Text)

Onedrive: Texte, Zeichnungen (Comic), Fotos (Fotoroman) ...

Apps: Padlet, ???

### „Reflektion HNF-Besuch“

#### Aufgabe

Reflektiert euren Besuch im HNF, indem ihr zu zweit einen Instagram Post erstellt.

Ihr könnt euch z.B. beziehen auf:

- eure Eindrücke vom Besuch allgemein
- inhaltliche Erkenntnisse zum Thema Mensch und Computer (Entwicklung, Zukunft, etc.)
- Skurriles, Überraschendes, Beeindruckendes, ...

#### Sources + Devices

Achtet darauf, alle Bestandteile eines Postings einzubauen (aussagekräftiges Foto, kurze Bildunterschrift / Beschreibung, sinnvolle Hashtags). Benutzt dazu die Vorlage auf dem Aufgabenblatt (s.o).
